

Staying COVID-19 Secure in 2020

Positive Steps Physiotherapy are complying with the government's guidance on managing the risk of COVID-19

5 Steps to Safer Working Together

- We have carried out a **COVID-19 risk assessment** and shared the results with the whole team.
- We will continue to offer **video consultations**. When a face to face consultation is indicated we will **screen all our clients** prior to providing this consultation.
- We have **cleaning, handwashing and hygiene procedures** in place in line with government guidance.
- We will wear appropriate **PPE**. Whenever possible we will maintain a **2m distance** in the workplace.
- When we cannot be apart, we are doing everything practicable to **minimise the risk of transmission**.
